

Egyptian NCP System and Success Stories: NCPs and FPs

Yasser Elshayeb, PhD

Ministry of Higher Education and Scientific Research

yasser.elshayeb@gmail.com

BACKGROUND

In Egypt, the dissemination of Information about the European Framework Programme for Research (FP)

Is not sufficient!

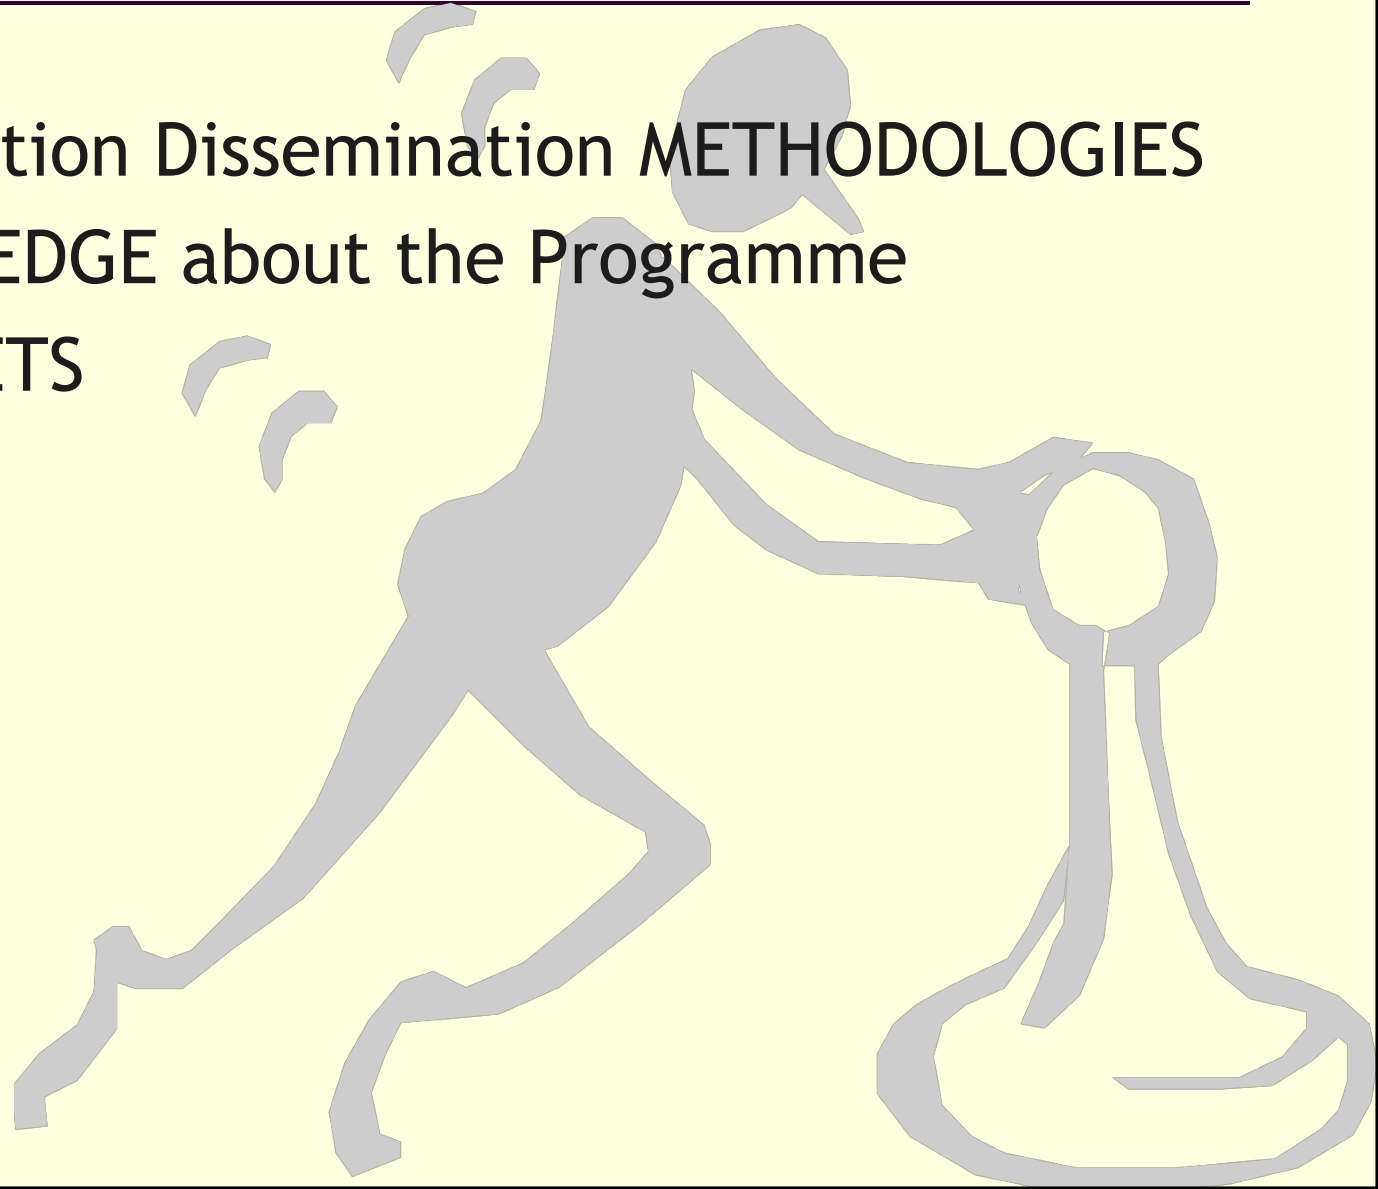

PROBLEMS?

- The programme is **COMPLEX!**
- Information are **NOT** always **AVAILABLE!**
- **MISINFORMATION!**

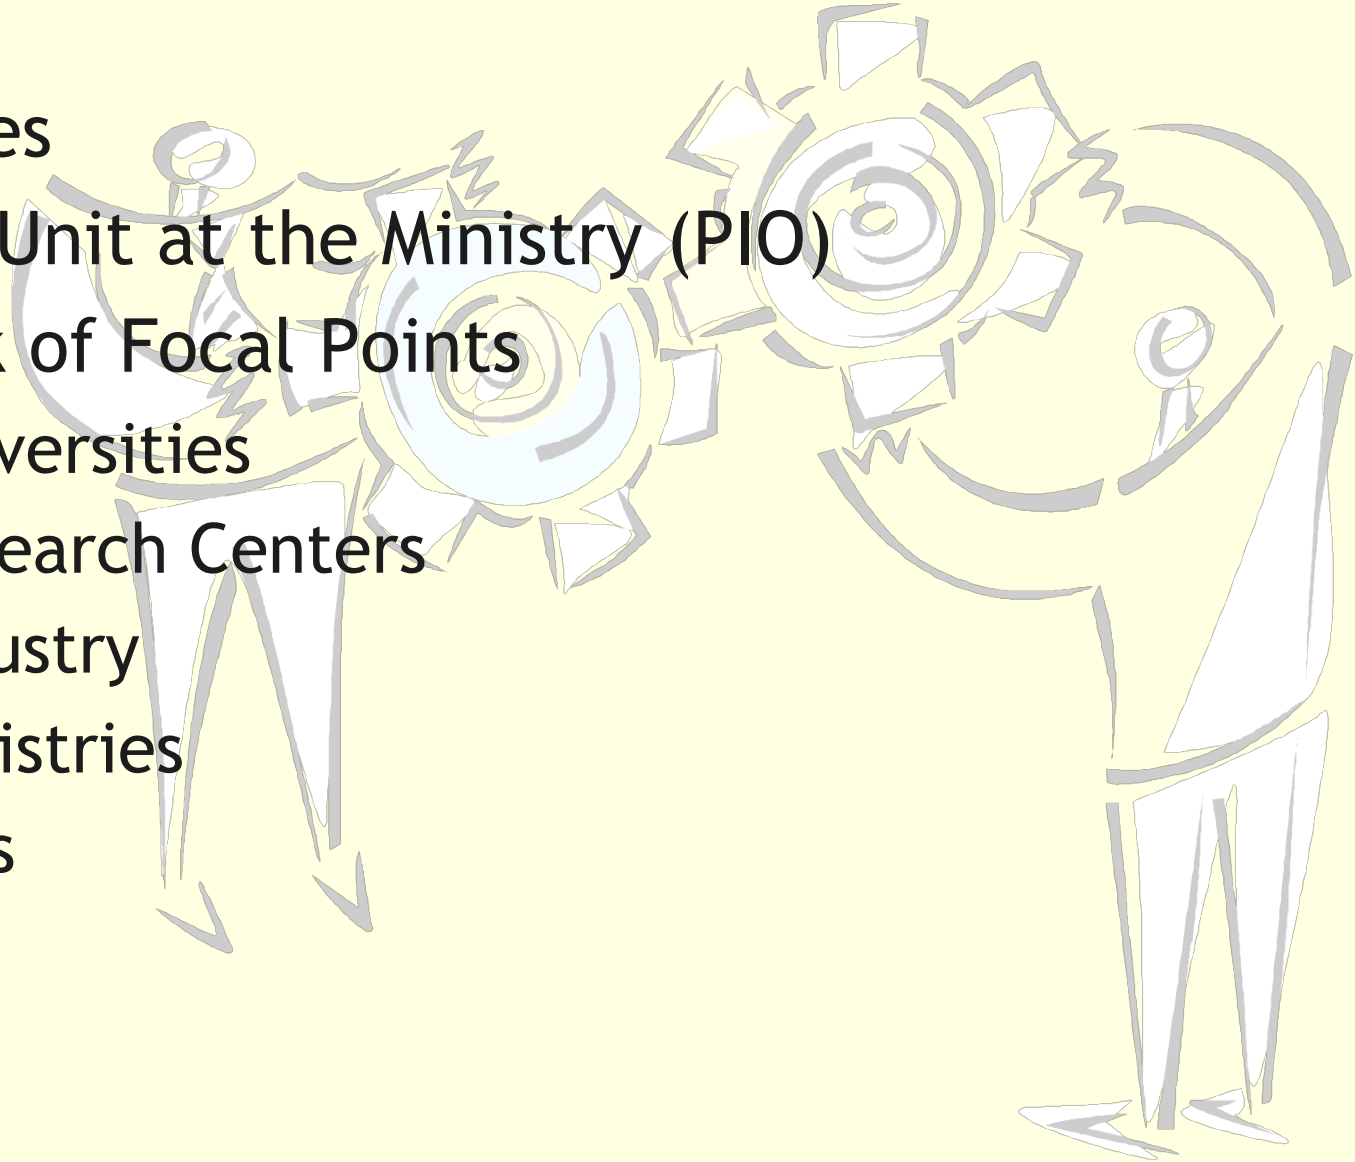

WE Need to CHANGE...

- Information Dissemination **METHODOLOGIES**
- **KNOWLEDGE** about the Programme
- **MIND SETS**

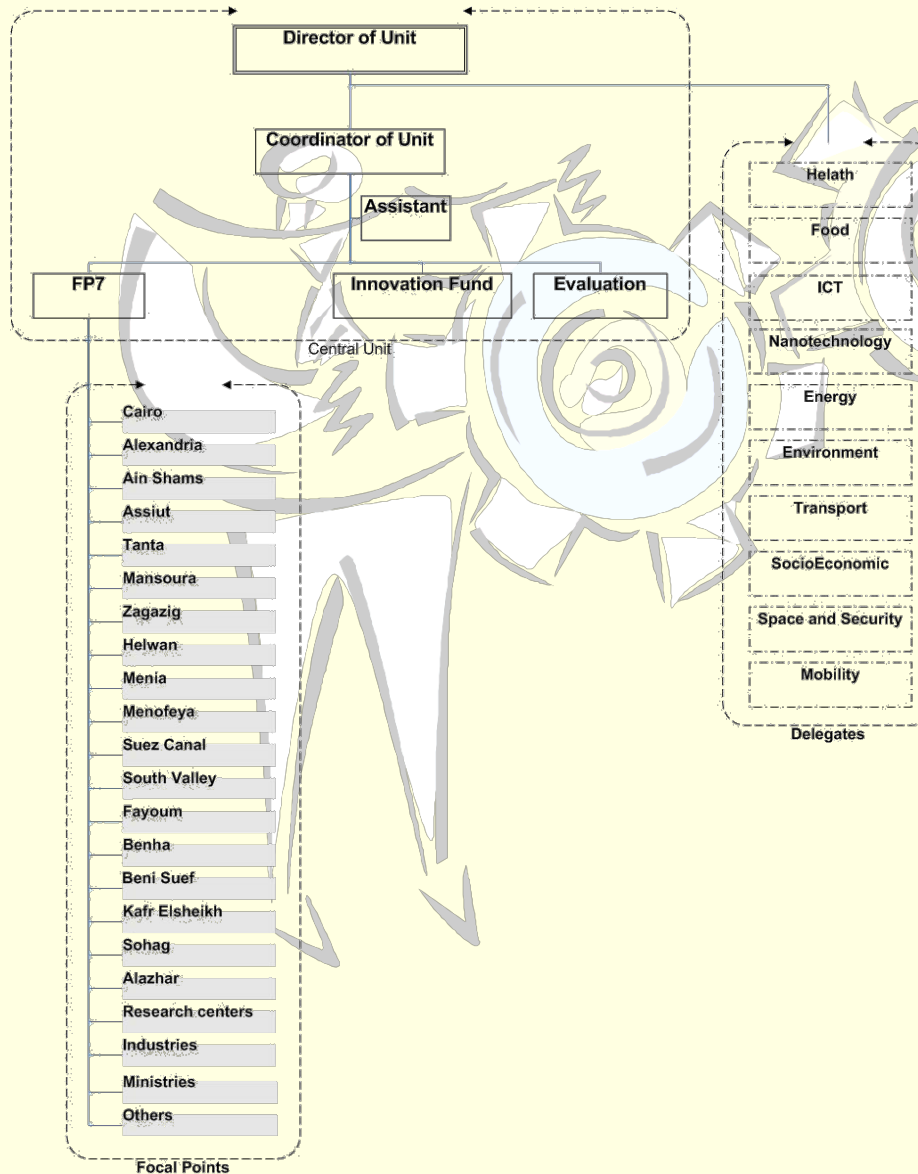

a NEW Structure

- Delegates
- Central Unit at the Ministry (PIO)
- Network of Focal Points
 - In Universities
 - In Research Centers
 - In Industry
 - In Ministries
 - Others

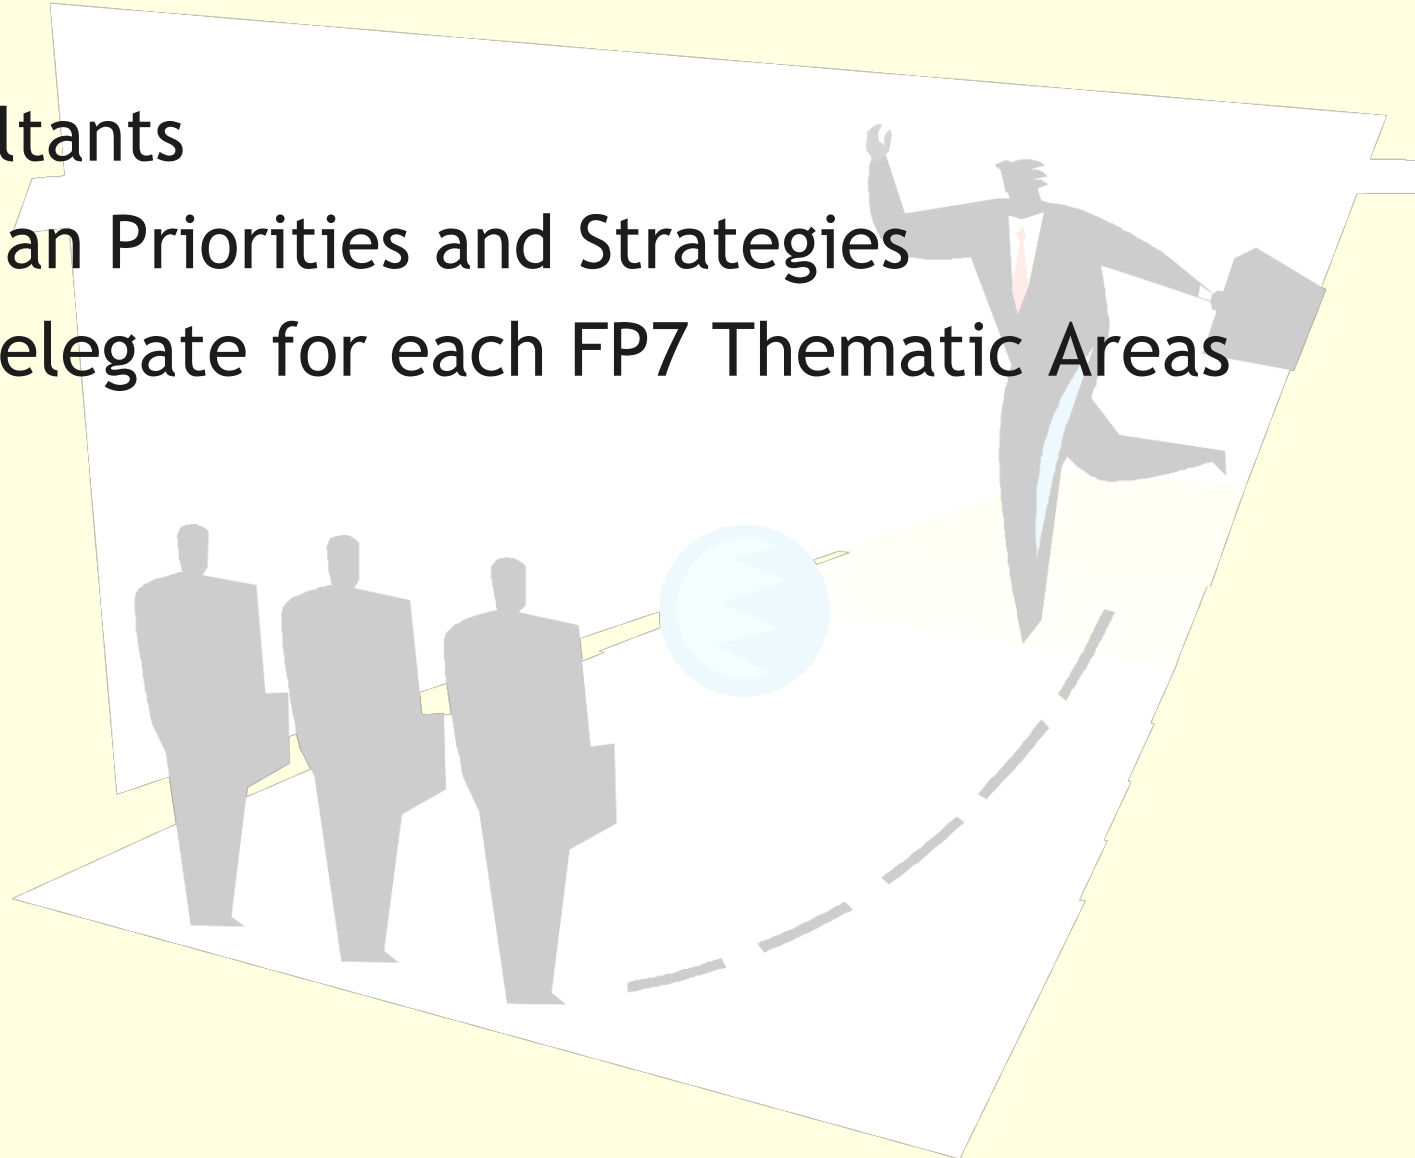

a NEW Structure

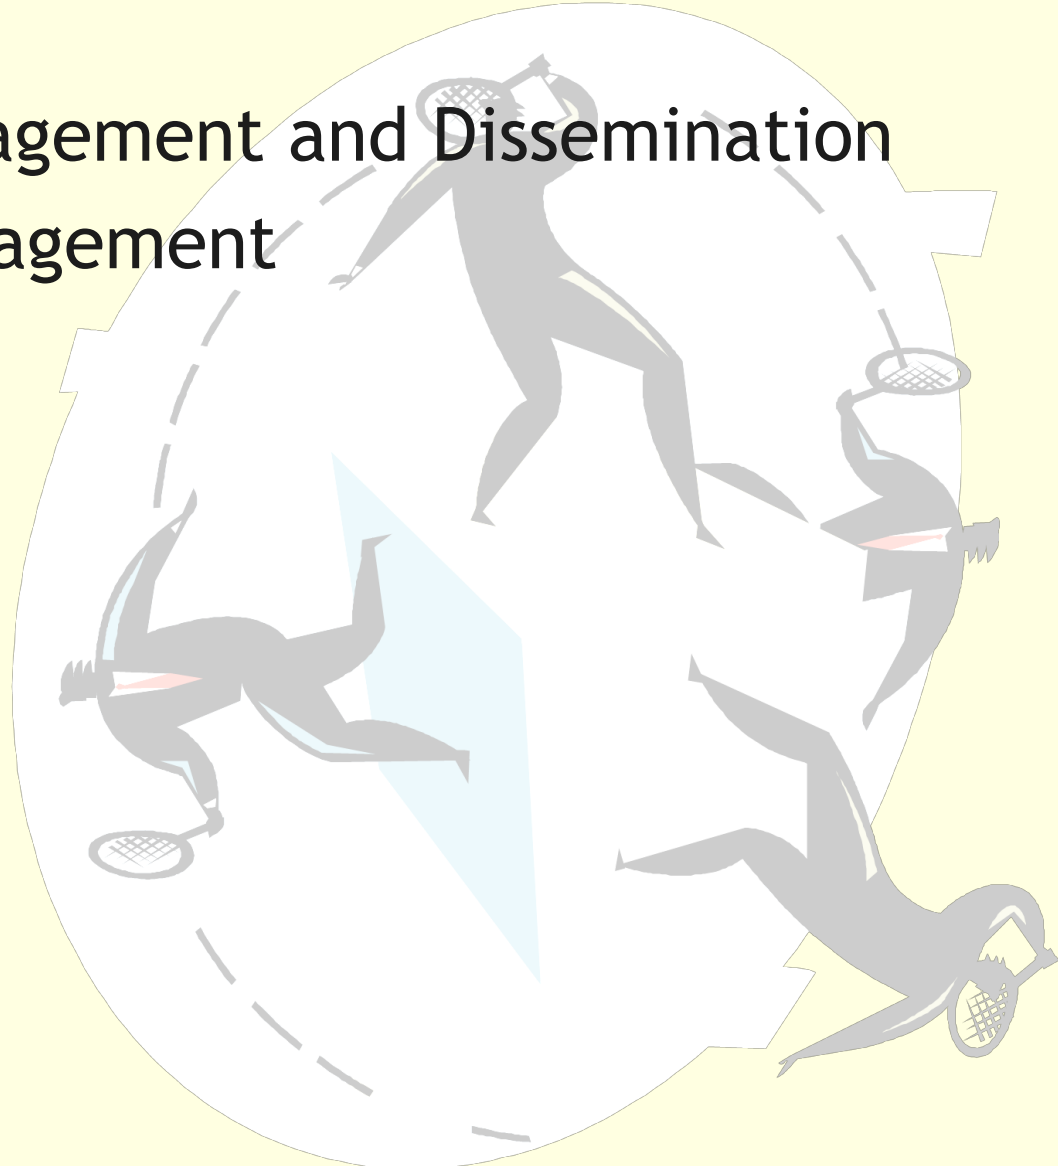

Delegates

- Consultants
- Egyptian Priorities and Strategies
- One Delegate for each FP7 Thematic Areas

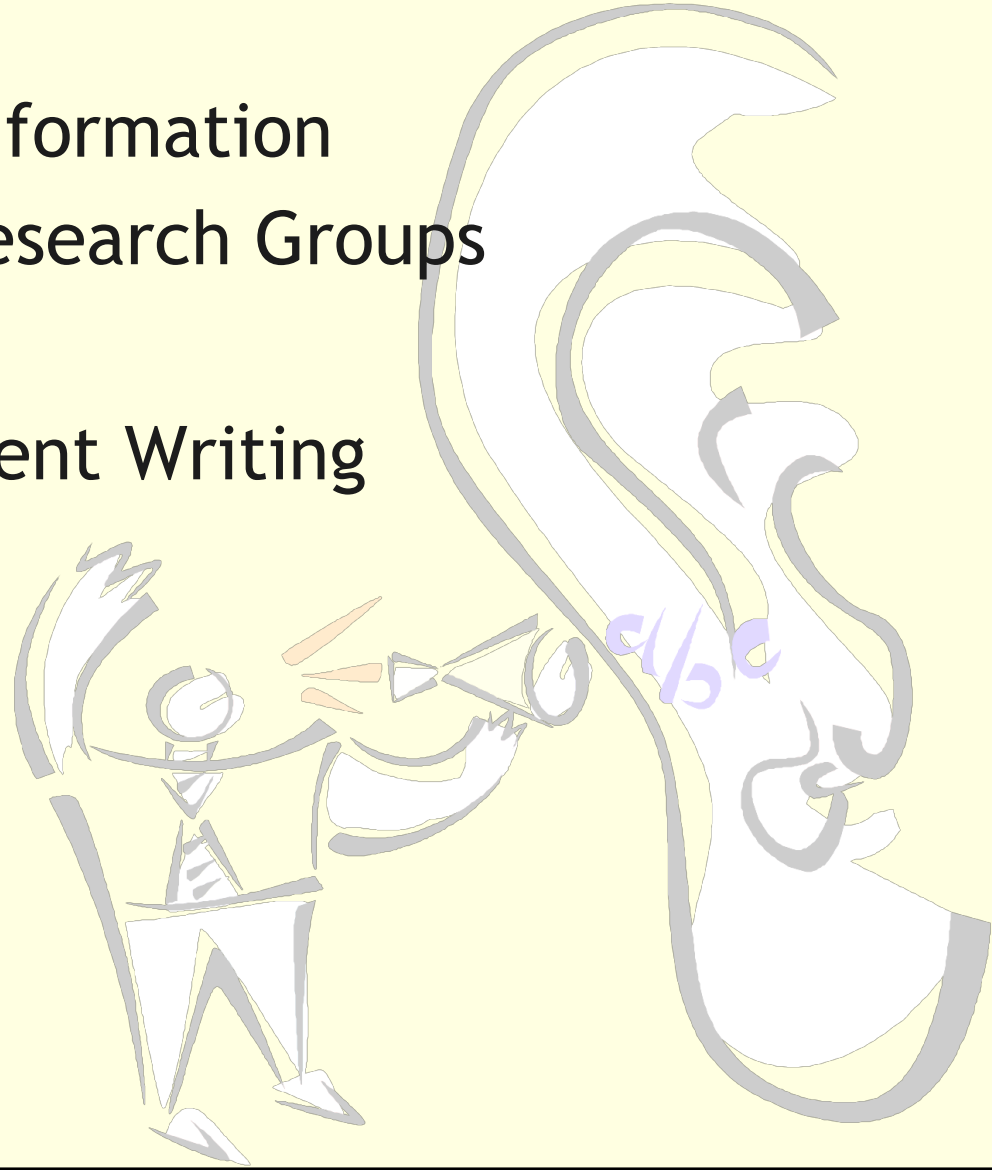

Central Unit at the MINISTRY

- Information Management and Dissemination
- Focal Points Management
- Liaison

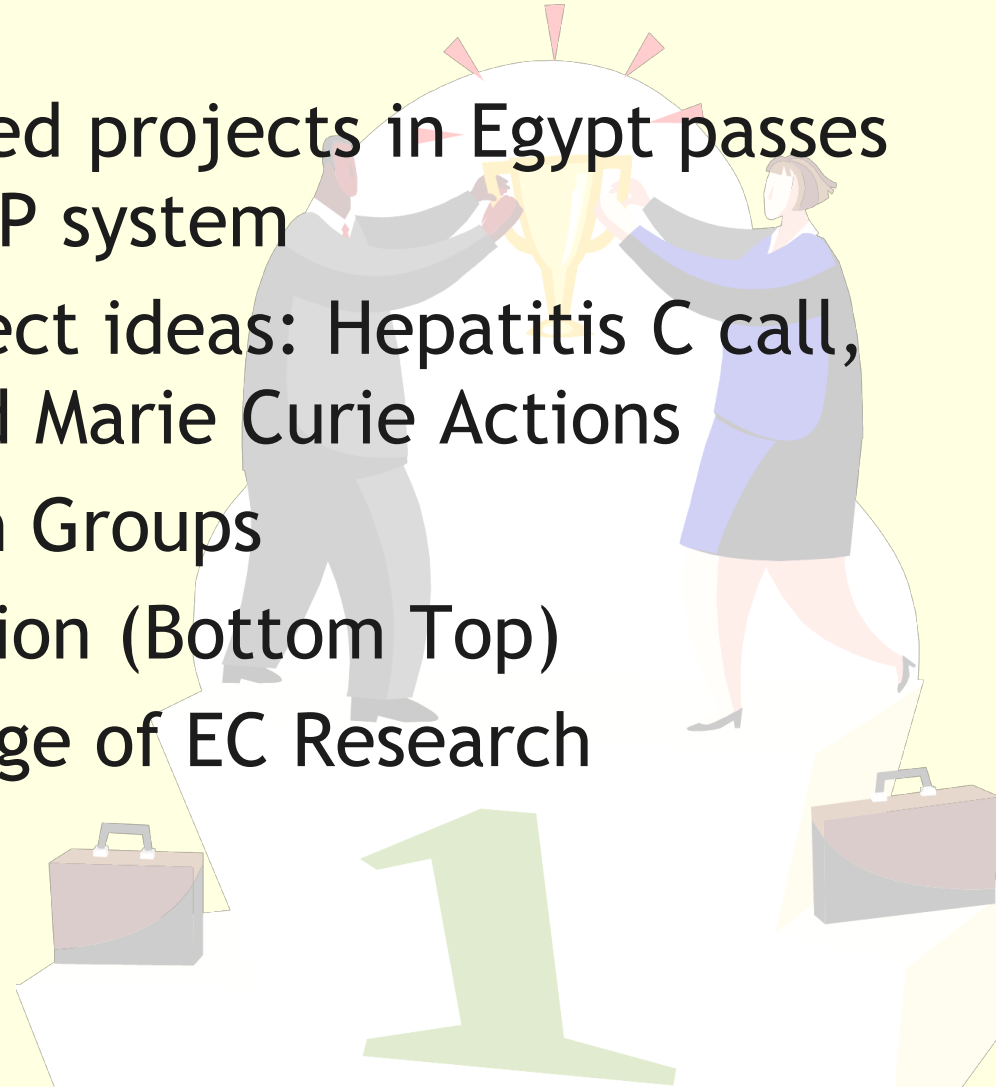

FOCAL POINTS

- Dissemination of Information
- Identification of Research Groups
- Networking
- Training on Document Writing

Success Stories

- Almost all submitted projects in Egypt passes through the NCP/FP system
- Incubation of project ideas: Hepatitis C call, ERA WIDE Call, and Marie Curie Actions
- Thematic Research Groups
- Priority Identification (Bottom Top)
- Extensive Knowledge of EC Research Programs...

IT's all about COOPERATION!

We will DO it
